

# AGENDA AT A GLANCE

WASHINGTON FUTURE ENERGY CONFERENCE 2011 | October 18-19, Seattle

DAY 1 Tuesday, October 18				
TRACKS	<b>A</b> <i>Washington State Energy Summit</i>	<b>B</b> <i>Modernizing the Grid</i>	<b>C</b> <i>Energy Efficiency</i>	<b>D</b> <i>Bioenergy</i>
7:00-8:15	Registration & Networking – Continental Breakfast			
8:15-9:30 SESSION 1	Washington State's New Integrated Energy Strategy	Integrating Renewables: Responding to Today's Challenges	An Organizational Approach to Energy Management	Digesters & Coproducts: Building Blocks of Biorefining
9:45-10:45	Welcome & Keynote Address: Claire Fulenwider, Executive Director, Northwest Energy Efficiency Alliance			
10:45-11:15	Networking & Trade Show Break			
11:15-12:30 SESSION 2	Transportation Policy: Enabling New Approaches	Integrating Renewables: The Future Utility System	Changing Behavior to Achieve Efficiency	Waste-to-Energy: Tapping Under-Valued Resources
12:30-2:00	LUNCH & Keynote Address: Jay Inslee, United States Congressman			
2:00-3:15 SESSION 3	Buildings of the Future	The Smart Grid Business Case	Commercial Retrofits: Meeting the Challenge	Bioenergy Crops: The Future is Now
3:15-3:45	Networking & Trade Show Break			
3:45-5:00 SESSION 4	Business Opportunities in the Transportation Sector	Efficient Energy: CHP, District Energy & Waste Heat Recovery	Business Opportunities in the Efficiency Supply Chain	Thermochemical Conversion for Renewable Energy, Fuels and Stable Carbon
5:00-6:30	Cocktail Reception			
DAY 2 Wednesday, October 19				
TRACKS	<b>A</b> <i>Washington State Energy Summit</i>	<b>B</b> <i>Financing Energy</i>	<b>C</b> <i>New Technology Updates</i>	<b>D</b> <i>Energy In Context</i>
7:00-8:15	Registration & Networking – Continental Breakfast			
8:15-9:30 SESSION 5	The Role of Distributed Energy	Energy Technology Investment in Washington	Energy Storage Technologies	Sustainable Pathways to Bioenergy
9:40-10:30	Keynote Address: Doug Moore, President, McKinstry			
10:30-11:00	Networking & Trade Show Break			
11:00-12:15 SESSION 6	Regional Strategies for Energy Collaboration	Renewable Project Financing Update	Hydrokinetic Energy: Wave, Tidal, & Micro-Hydro	Addressing Societal Resistance to Energy Development
12:15-1:30	LUNCH & Keynote Address: Elson Floyd, President, Washington State University			
1:30-2:45 SESSION 7	Facilitating Energy Innovation	New Models for Financing Energy Efficiency	Solar Energy Sector Update	Green Chemistry: The Role of Catalysis in Renewable Energy
2:45	CLOSE
